This is a comprehensive training program provided by the Alliance of Ukrainian Universities (AUU), focusing on the core objective of achieving “Global Synergy through Collaborative Online International Learning” (COIL). This initiative is designed to equip AUU members and their faculty with the expertise needed to leverage COIL effectively, fostering cross-cultural collaboration, enriching educational content, and cultivating enduring global partnerships. Join us in this endeavor to elevate the educational landscape within Ukrainian universities, emphasizing interconnectedness and innovation. The program's distinguishing feature is its focus on fostering the number of teaching COIL initiatives, encompassing not only projects with foreign partners but also collaborative online learning projects within the Alliance's member institutions. The program is designed and facilitated by Ukrainian Catholic University (Dr. Halyna Protsyk, Chair AUU International Committee, Deputy Vice Rector for Internationalization of Ukrainian Catholic University). The program was successfully carried out with the active participation of 13 COIL practitioner-coaches who are genuine experts and visionaries in the realm of international online education: SUNY COIL Center Network (USA), DePaul University (USA), EducationUSA, Education University of Hong Kong, University of Potsdam (Germany), Catholic University of Manizales (Colombia), The Hague University of Applied Sciences, and Utrecht University (the Netherlands).

The following topics have been addressed in the course of the training program:

- **Understanding the Global education landscape**
- **Understanding Collaborative Online International Learning (COIL) Principles**
- **Case studies of successful COIL projects**
- **Collaborative Pedagogies and Project Management**
- **COIL Intercultural Competence and Communication**
- **Quality Assurance and Future Trends**
- **COIL Personal Action Plan**
- **Developing COIL Profile**

This certificate recognizes the successful development of skills in the field of internationalization in higher education and collaborative online international learning
