The contents of this publication are the sole responsibility of the Uzhhorod National University and can in no way be taken to reflect the views of the European Union.

This publication has been produced with the assistance of the European Union.

The European Union is made up of 28 Member States who have decided to gradually link together their know-how, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms.

The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.

The European Commission is the EU's executive body.
