Ref. Norwegian-Ukrainian winter school in Oslo, January 2018

This letter confirms that Syniavska Olga from Uzhgorod National University, Uzhgorod, Ukraine is a member of the international cooperation program on mathematical education funded by Norwegian Centre for International Cooperation in Education (SIU) in the framework of Eurasia program, project number CPEA-LT- 2016/10139. In particular, Syniavska Olga participated in the Norwegian-Ukrainian winter school on Stochastic Analysis, Probability Theory and Related Topics held in Oslo, Norway, in 21.01.2018-27.01.2018. The winter school is organized by University of Oslo and National Technical University of Ukraine "Igor Sikorski Kyiv Politechnic Institute". All expenses of Syniavska Olga including travel costs and accommodation in Oslo are covered by funding coming from the project.

Blindern, 25. January 2018

Head of the Organizing Committee,  
coordinator of the project

  
Prof. Frank Proske
