Košice, 09.01. 2023

INTERNSHIP CERTIFICATE

This document is to certify that Mr. Vitaliy Bilanych (born 21.08.1963, passport number FB699629), Associate Professor from Uzhhorod National University (Uzhhorod, Ukraine), has completed a three-month-long internship at the nanolaboratory of the Institute of Physics, Faculty of Science, Pavol Josef Šafárik University in Košice (Košice, Slovakia). The duration of the internship was from 1st June to 31 August 2022. The internship was held within the framework of the project “Investigation of surface morphology and resonant characteristics of tuning forks with patterned surface structure at very low temperatures” which is part of Horizon 2020 EU-Project 824109 “EMP – European Microkelvin Platform”.

prof. RNDr. Peter Kollár, DrSc.
