

PROCEDURE FOR SUBMITTING AND DECLARING ARTICLES

Articles are accepted in Ukrainian (with additional annotation in English) and English (with additional annotation in Ukrainian).

1. Page options: A4 *format*, 2 cm margins on all sides
2. Pages without numbering
3. The text is typed in Times New Roman 12, line spacing 1

Articles are accepted up to 6 full pages.

The articles are arranged in the following order:

- UDC (separate paragraph with left alignment),
- the initials and surname of the author (s) (a separate paragraph with left alignment),
- authors' place of work, personal e-mail address (separate paragraph with left alignment),
- article title (bold, capital letters, center alignment),
- abstract of the article in Ukrainian (a separate paragraph with center alignment),
- keywords (5-6 words or phrases),
- article text (two columns of the same width),
- list of used literature, submitted in the order of references (two columns of the same width),
- An abstract in English with the title of the article and the name of the author (s).

In the text of the article, references are indicated in square brackets, for example, [2]; the page number is highlighted by a colon, for example, [6: 37].

4. The list of literature begins with the subtitle REFERENCES (center alignment).

PREPARATION OF MATERIALS FOR THE PUBLICATION OF THE COLLECTION CONFERENCE MATERIALS

In a concise form (no more than 100 words) describe the purpose, main results and the novelty of your research.

Key words: conference; conference materials; material template; (You must write 5 to 10 keywords). Keywords should represent the entire content of the materials (font TNR 10).

Formulation of the problem

Analysis of recent research and publications

Problem statement

Exposition of basic material

The main text of the materials of the report is spread in two columns of the same width with a distance between the columns of 6 mm and alignment in width. The text of materials is typed in Times New Roman 12 pt lowercase letters, single spacing. 5 mm indent from the beginning of the line, the same throughout the article. Paragraph alignment in width. Paragraphs do not separate from each other. Headings are in Times New Roman 12 pt font, in bold, lowercase letters. There is no indentation of the first line, alignment in the center. The subtitle is separated from the previous text by an interval of 12 pt., From the next - 6 pt.

Tables are typed in Microsoft Word. Table number: Regular style (TNR font, size 10 pt, italics), right alignment. Table name: TNR font, size 12 pt, bold, center alignment, spacing before - 0 pt., After - 6 pt. The text

The list of literary sources is arranged in alphabetical order and is provided with the subtitle References or REFERENCES (if the article in English) - TNR 12 pt, in capital

and headings of the table columns are typed in the main font 12 pt with alignment in the middle of the corresponding columns.

Drawings and photographs (raster, black and white, with a resolution of at least 300 dpi) are inserted into the text of the materials. Illustrations are provided as separate JPEG, TIFF files. The signature under the figure should be outside it, the intervals before and after - 6 pt., Typed in TNR 12 pt font, lowercase letters with alignment to the center.

For a set of formulas, the Microsoft Equation 3.0 formula editor built into Word for Windows is used. The formulas are arranged in separate lines, in the middle of the column, and only simple, small formulas that do not have independent meaning are placed inside the text lines. Arabic numerals in parentheses indicate the serial number of the formula in the article. It is placed on the right edge of the set in one line with the numbered formula.

Conclusions.

REFERENCES

letters), which is separated from the main text and the list itself with intervals before 12 pt., After 6 pt. and is located in the middle of the column.

The presence of a bibliography in the article is mandatory!
