To whom it may concern!

I am writing to recommend **YAKYMA MYROSLAVA**. She worked at a Summer Tour – official DMC partner of Join Up! Tour operator in Antalya, Turkey, from April 30<sup>th</sup>, 2023 to October 16<sup>th</sup>, 2023, as a seasonal worker in a transfer guide position.

As an employee, Myroslava was always diligent and we saw her great desire to work and develop from the first days of her internship. For the most part, she is friendly, smiling, and polite with guests and colleagues.

During the internship period, she applied the knowledge acquired during the training, was always obedient, responsible, and attentive, and always carried out the tasks assigned to her. She was respected by the management and colleagues and received favorable reviews from tourists.

In conclusion, I can say that Myroslava learns quickly, faithfully fulfills the tasks assigned to her, and shows interest in her profession. We saw that the internship in our company benefited her, and we are completely satisfied with her work and would like to cooperate with her next season.

TUI BLUE

To whom it may concern,

I am writing to recommend Kurutsa Nataliia. She worked at Tui Blue Nevis Resort Sunny Beach from 18th of June 2022 to 20th of September 2022 as a seasonal worker in a waiter position.

As an employee, Nataliia was one of the people that did their job exactly as she was told. She was always eager to help her colleagues and the guests if there was any problem.

Nataliia learned and achieved a lot during her stay here. She is an extremely responsible person, always puts thought into the task assigned to her and learns from the remarks made. She is always smiling and talkative, always asking when she doesn't know something and always kind and polite to everyone.

In conclusion, about Nataliia, I can say that she works a bit slower than her colleagues, but in my opinion this is because she wants everything to be perfect. She will be a great addition to any team and she will succeed in whatever she takes up.

If you have any further questions about Kurutsa Nataliia please don't hesitate to contact me on my email address [fbmanager@nevisresort.bg](mailto:fbmanager@nevisresort.bg).

Best regards,

Yancho Statev, F&B Manager,

TUI BLUE Nevis Resort, Sunny Beach, Bulgaria
