## WHOMENTORING

in Felsőtárkány, Hungary

from 13/04/2024 to 21/04/2024

### About the project

The aim of our project is to draw the attention of young people to the strategic importance of the energy sector. Preserving our standard of living is a serious energetic challenge. Reducing energy consumption is not an easy task. We need to use energy more rationally and efficiently, we draw attention to this during the exchange program. The project is a joint journey around the modern energy sector with young people who are changing and developing and experiencing many new things
