

**Memorandum of Cooperation
between
The Faculty of Law of Uzhgorod National University of Ukraine
and
The European Public Law Organization**

Under this Memorandum of Cooperation the Faculty of Law of Uzhgorod National University of Ukraine and the European Public Law Organization have expressly agreed to join efforts to facilitate exchanges and cooperative initiatives in the areas of academic research, education and training, in the field of European Public Law.

This goal can be accomplished through the organization of common educational training and research activities, the creation of double degrees, the implementation of collaborative programs, scientific publications, exchange of students, academics and the staff through Erasmus program, exchange of information in fields of mutual interest, the perspective of establishing an EPLO office as well as any other initiative that would support this goal.

Athens, 9 September 2017
