About the project

"Neighbours & Stories" was a youth exchange where young people from Poland, Czechia, Slovakia, and Ukraine came together for 5 days to explore Slavic culture. Through games, workshops, and a shared group project, they discovered each other's traditions, built friendships, and celebrated both what connects and distinguishes them. The experience was full of laughter, learning, and unforgettable stories.

LEARNING CONTEXT

Youth Exchanges supported by the Erasmus+ programme offer groups of young people from different countries an opportunity to jointly design, prepare and carry out a non-formal learning programme on a topic of their interest. This usually involves a mix of workshops, debates, role-plays, simulations and outdoor activities. The learning process, which is supported by youth workers and leaders, includes the preparation, implementation and follow-up of the exchange.
